Annual Health Check-Up – At Mira Road Office Tuesday, 10th June 2025

At Sealmatic, we believe that our people are our greatest asset — and their health is our top priority. As part of our ongoing commitment to employee well-being, Sealmatic recently organized its Annual Medical Health Checkup in collaboration with Aspira Pathlab & Diagnostics. The health camp was led by Dr. Pankaj Shah (MD) and Dr. Shilpa Kale (MBBS), and offered a wide range of preventive screenings and consultations, including:

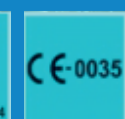

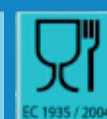

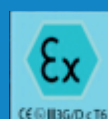

- Doctor Consultation
- Blood Tests – Complete Blood Count (CBC), Random Blood Sugar & Urine test
- Height & Weight Monitoring
- Vision Test
- Audiometry (Hearing) Test

The event was a great success, with enthusiastic participation from our team. It served not just as a medical check, but as a reminder that a healthy workforce builds a stronger future. **At Sealmatic, we don't just engineer excellence — we nurture it from within.**
